Media Introduction/ Guidelines

To the Media

Welcome to the fourth season of the Orlando Miracle! We are very pleased to supply this publication and hope it will answer many of your questions through the season. We sincerely appreciate your interest in the Miracle and will do everything possible to meet your needs. This guide will be supplemented with materials on a regular basis during the year. Again, if we can be of any assistance, please do not hesitate to call on us. In an effort to continue to provide a professional working environment, we have established the following guidelines for the upcoming campaign.

Credentials

Single-game media credentials can be reserved by accredited media members by calling the Media Relations Department at least 24 hours before a game (no exceptions). Media members covering the Miracle on a regular basis will be issued season passes, but are still required to reserve seating at all games by calling the Media Relations Department (407-916-2632/2432) by the deadlines mentioned above. Credentials will allow working media members entry into the TD Waterhouse Centre, while also providing reserved media seating and access to both team locker rooms and the media work room. In all cases, credentials are non-transferable and any unauthorized use will subject the bearer to ejection from the TD Waterhouse Centre and forfeiture of the credential. All single-game credentials may be picked up at the media entrance to the TD Waterhouse Centre located at the corner of Amelia and Revere Road (northeast corner).

Media Work Room

The Miracle media work room is located in the northeast corner of the TD Waterhouse Centre on the sub-concourse level and will be opened two hours prior to game time. Admittance/space is limited to working media members with credentials only. The media room will remain open throughout the game and until the last working media members have finished their game-night duties. The professional intent of the media work room is to provide a meeting and working place for writers, reporters, broadcasters, and game personnel. Family members and guests of media members will not be accommodated in the media work room. Any abuse of the media work room and/or media privileges will result in a forfeiture of your media pass. Television monitors, telephones and work space will all be provided in the media work room.

Locker Rooms

The Miracle locker room is located on the north side of the sub-concourse level, while the visitor's locker room is located on the south side. In accordance with WNBA policy, both locker rooms will be open for a ***30-minute period*** ending one hour before the start of a game (e.g. media access shall be granted from 6:00 p.m. to 6:30 p.m. for a 7:30 p.m. game). Locker rooms will be reopened to the media 10 minutes after the conclusion of a game and shall remain open to the media for 30 minutes. Following the 30-minute media access period, the locker rooms will be closed for a 20-30 minute period to allow players to shower and dress.

Interviews

Postgame interviews are conducted as follows: Both the Miracle head coach (in media work room) and the visiting team head coach (at opposing locker room entrance) will address media members approximately 10 minutes after the game. Your cooperation and professional courtesy are asked in maintaining a proper working atmosphere for postgame interviews.

Practice/Shootarounds

As a general rule, Orlando practices will be opened to the media the last 30 minutes of each practice. In regards to game-day shootarounds, the session will open the final 15 minutes. Interviews will be conducted between the two teams' shootarounds.

Television/Radio

Television and radio broadcast positions are located along the scorers' table on the north sideline. The Miracle Media Relations Department will be happy to arrange statisticians for visiting radio and television broadcasters. If statisticians are needed, please contact the Miracle Media Relations Department at least 24 hours prior to game time. Once arrangements are made for statisticians, the individual must be paid whether or not they are used. The Media Relations Department will be happy to arrange pregame, halftime and postgame interviews according to WNBA guidelines. Please make arrangements for those interviews as early as possible.

Media Seating

Reserved media seating has been designated on the east and west baseline areas, as well as on the inner concourse level of the arena. All seats are reserved and marked with placecards for each individual media member. To avoid embarrassment, individuals are asked to sit in their pre-assigned seats. Seating charts are also posted in the media work room. Electrical outlets and telephones are placed on press row for your convenience. If a media member is in need of an individual phone, please contact the Media Relations Department for assistance. Statistics, flash stats and out-of-town scores will be distributed along press row periodically.

Photographers/Videographers

Limited space is available on each baseline for both still photographers and television cameramen. All are required to pick up photo passes upon entering the TD Waterhouse Centre. Photographers without photo passes will not be allowed on the arena floor. Freelance photographers will not be credentialed without a certificate of assignment from an established publication.

Media Seating

Members of the media can use their parking pass in any of the Orlando Centroplex surface parking lots.

Services

A pregame media meal will be served in a designated dining area located at the west end of the TD Waterhouse Centre on the sub-concourse level. Beverages are also provided at all times in the media work room. Game notes, press releases and media advisories will be available in the media work room before the start of the game. In addition, play-by-play sheets, halftime boxscores and postgame quotes will be available in the media work room following the game. Complimentary fax service is also available upon request. Boxscores and play-by-play sheets will be delivered in a prompt manner to press row at the end of the half. If there is anything else that we can do to assist in your coverage of the Miracle this season, please don't hesitate to ask.

The DeVos Family

The DeVos family purchased the Orlando Magic in September of 1991. At that time, family head Rich DeVos stated that the DeVos family is simply the team's current caretaker, making it clear that the real owners of the NBA franchise would continue to be the Central Florida community and the loyal Magic fans.

The acquisition and operation of the Magic is a family affair involving Rich, his wife, Helen, and their four children and spouses: Dick and Betsy DeVos, Dan and Pam DeVos, Cheri and Bob Vander Weide, and Doug and Maria DeVos. As one of the two founding families of Amway Corporation — now a subsidiary of the new parent company, Alticor — the DeVos family is one of the nation's most successful business stories in recent history.

Although the senior DeVosses have established residence in southern Florida, the family was introduced to the Central Florida community during Orlando's drive to bring major league baseball to "The City Beautiful." An ensuing relationship was formed between the DeVos family and the city of Orlando.

The baseball venture left them with a heightened interest in professional sports ownership. The 76-year-old co-founder of Amway envisioned incorporating the philosophies that made him one of the most successful businessmen in America today with that of a solid, young NBA franchise. He understands the impact professional sports can have on the upcoming generation, and is committed to ensuring the teams provide a positive, encouraging example.

Standing (L-R): Maria DeVos, Doug DeVos, Helen DeVos, Rich DeVos, Pam DeVos, Dan DeVos. Seated (L-R): Dick DeVos, Betsy DeVos, Cheri DeVos Vander Weide, Bob Vander Weide.

From 1995-2001, RDV Sports owned and operated the Orlando Solar Bears of the International Hockey League. During their six years of existence, the Solar Bears captured one division title (Central Division, 1995-96), three Eastern Conference crowns (1996, 1999, 2001) and the IHL's Turner Cup championship in 2000-01. Orlando compiled an all-time regular season record of 286-162-44 (.626), the best in the league over that time frame.

RDV Sports, named for Rich DeVos and the parent company of the Miracle, has been and continues to be an active partner in the Central Florida community. In February of 1998, RDV Sports,

in partnership with Florida Hospital, opened the $50 million, 365,000-square-foot RDV Sportsplex. The RDV Sportsplex is a state-of-the-art health, wellness and rehabilitation facility. It features a world-class health club, a rehabilitation center, a sports and family health facility, restaurants, two ice rinks, retail shops and training facilities for the Magic and Miracle.

In April of 1998, the Women's National Basketball Association (WNBA) was added to the RDV Sports portfolio. The Orlando Miracle played in their inaugural season during the summer of 1999.

The DeVos family remains involved in numerous charities and community-enhancement endeavors, both in the Central Florida area and their hometown of Grand Rapids, Michigan. Bob Vander Weide serves as chairperson of the RDV Sports Team Charities Board. RDV Sports Team Charities includes the Orlando Magic Youth Foundation, the charitable arm of the Orlando Magic, and Miracle Makers, the charitable arm of the Orlando Miracle.

Rich DeVos
Chairman

Rich DeVos enters his 11th season as Chairman of the ownership group of the Orlando Magic. The 76-year-old DeVos is a co-founder of Amway Corporation, now a part of the new parent company Alticor.

Born March 4, 1926 in Grand Rapids, his is one of the great business success stories of all times. DeVos and a former high school classmate named Jay VanAndel embarked on a partnership that resulted in several business endeavors between 1945 and 1958. Finally, in 1959 they turned a $500 investment into a direct merchandising empire which today produces worldwide consolidated sales of more than $5 billion at estimated retail.

In October 2000, Amway became one of four subsidiaries under a new parent company called Alticor, along with three sister companies: Quixtar Inc., a Web-based business in North America; Access Business Group LLC, a business service provider; and Pyxis Innovations Inc., a corporate resource for new business and product ideas.

DeVos has been the recipient of numerous achievement awards, as well as 10 honorary doctorate degrees. He has written three books. *BELIEVE!, Compassionate Capitalism,* and most recently, *Hope From My Heart: Ten Lessons for Life.*

Because of their dedication to supporting those organizations in which they believe, DeVos and his wife, Helen, created the Richard and Helen DeVos Foundation. The DeVosses are dedicated to making a difference in peoples' lives and helping people help themselves.

DeVos and his wife Helen reside in southern Florida and have four children: Dick and his wife, Betsy; Dan and his wife, Pam; Cheri and her husband, Bob Vander Weide; and Doug and his wife, Maria; and fifteen grandchildren.

Bob Vander Weide
President/CEO

Bob Vander Weide is President of the Orlando Magic, a position he has held since January of 1994. He also serves as Chief Operating Officer of RDV Sports, the Miracle's parent company. Other RDV Sports holdings include: the Orlando Magic of the National Basketball Association, the RDV Sportsplex and Magic Carpet Aviation.

The 44-year-old Grand Rapids, Mich., native began his career with the Magic in 1992 as Vice President of Basketball Operations. His current responsibilities include player planning and procurement, long-term strategic planning and new business initiatives. Vander Weide is also very involved in all league issues and is a representative on the NBA Board of Governors, the NBA Planning Committee and the WNBA Planning Committee. He has also been appointed to the Florida Olympics and Pan American Games Task Force.

Vander Weide also was instrumental in bringing professional hockey and professional women's basketball to Orlando. From 1995-2001, the Orlando Solar Bears of the International Hockey League captured one division title (Central Division, 1995-96), three Eastern Conference crowns (1996, 1999, 2001) and the IHL's Turner Cup championship in 2000-01. In April of 1998, Orlando was granted a WNBA franchise, which began play in the summer of '99.

Additionally, Vander Weide has guided the organization in the creation of the RDV Sportsplex, a state-of-the-art health and wellness facility, which includes a world-class health club, restaurants, retail shops, and practice and training facilities for the Magic and Miracle. The RDV Sportsplex opened in February of 1998 and has become the business and social hub for all RDV Sports activities.

With the goal of a future NBA and WNBA Championship for the city of Orlando, Vander Weide works closely with the leadership in basketball operations to ensure that team and player objectives are consistently met. He places a premium on the club's commitment to integrity, service, quality, and consumer value, while also emphasizing the partnership among the community, fans, coaching staff, players, front office staff, and ownership family.

Besides handling his current duties with RDV Sports, he also maintains several business responsibilities in his hometown of Grand Rapids. Vander Weide stays very involved in a variety of civic and community organizations and is Chairman of RDV Sports Team Charities. He was named *Orlando Magazine's* "Orlandoan of the Year" in 1997 and chaired the 2000 Heart of Florida United Way Campaign in Central Florida. Vander Weide currently serves on the SunTrust Board of Directors and will be co-president of the American Cancer Society's 2002 Cattle Barons' Ball.

Bob and his wife, Cheri, reside in Orlando with their four children.

John Weisbrod
Chief Operating Officer

John Weisbrod was named the Chief Operating Officer of RDV Sports on March 8, 2000. Weisbrod's responsibilities include the overall management of the RDV Sports staff numbering more than 500 and daily business operations for each RDV Sports entity and its 15 departments.

As part of his daily responsibilities with RDV Sports, Weisbrod oversees the management of basketball operations department and player personnel. He works closely with the leadership in basketball operations to endure that team and player objectives are consistently met. He is involved in all NBA and WNBA issues, as well as new long-term business strategies for RDV Sports.

Weisbrod is best known in Orlando for serving as the Vice President and General Manager of the Orlando Solar Bears. In three years under his direction, the Solar Bears were one of the most successful clubs in the International Hockey League, posting a 134-86-26 (.598 winning pct.) regular season record. They reached the postseason all three years, including a trip to the Eastern Conference Finals in 1997-98 and an Eastern Conference Championship, along with a subsequent trip to the Turner Cup Finals in 1998-99. In 2000-01, Orlando captured the IHL's Turner Cup championship.

Despite being just 33, Weisbrod is no stranger to success as a top-level executive. Prior to joining Orlando on Sept. 16, 1997, Weisbrod spent four seasons as Executive Vice President, Director of Operations and Alternate Governor of the Albany River Rats of the American Hockey League (AHL). Albany is the top affiliate of the National Hockey League's (NHL) New Jersey Devils. During his tenure, the River Rats posted a 176-103-41 record (.614), won three division championships, and captured the Calder Cup in 1995 as AHL champions. The River Rats were equally successful off the ice, setting numerous attendance records during Weisbrod's stay.

Weisbrod joined the front office after retiring as a player from the NHL's San Jose Sharks due to a career-ending shoulder injury. He was originally selected by the Minnesota North Stars in the fourth round (73rd overall) of the 1987 NHL Entry Draft and later claimed in the 1991 NHL Dispersal Draft by San Jose.

Prior to turning pro, Weisbrod enjoyed an illustrious career at Harvard University. As a sophomore, he was a member of the Crimson's 1989 National Collegiate Athletic Association (NCAA) Division I National Championship team, which he led in game-winning goals with six. He tallied 43 goals and 53 assists in 85 career collegiate games.

A recipient of many Eastern College Athletic Conference (ECAC) postseason honors, Weisbrod was also honored with Harvard's Donald Angier trophy, presented to the Harvard student who exemplifies dedication to the improvement of this team.

Before his collegiate career, Weisbrod was named by *USA Today* as the nation's top professional prospect as a senior at Choate Prep in Wallingford, Connecticut. While at Choate, he received scholarship offers from nearly every recognized Division I hockey program in the nation.

Weisbrod was born on Oct. 8, 1968 in Syosset, New York.

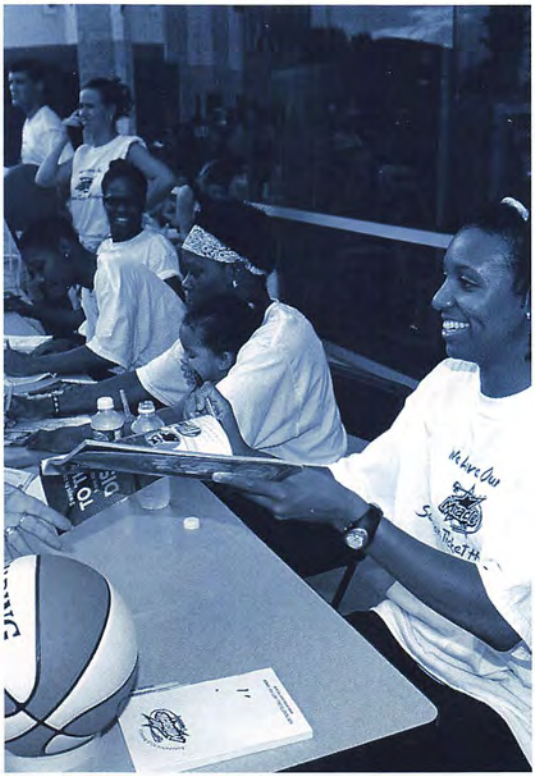
Community Relations



WNBA in the Community

The WNBA connects fans of all ages through extensive community outreach. As we mark the sixth season of the WNBA, our players have become recognizable pillars of commitment and dedication for their tireless efforts in cities and towns across America. The WNBA has four primary community initiatives: Sears WNBA Breast Health Awareness, WNBA Read to Achieve, Jr. NBA and Jr. WNBA presented by Gatorade and Nike and WNBA Be Active. In addition to these initiatives, the WNBA honors players who are active in their communities with the WNBA Community Assist Award presented four times a year.

Sears WNBA Breast Health Awareness

Sears WNBA Breast Health Awareness is a partnership with the National Alliance of Breast Cancer Organizations (NABCO) to increase public awareness about the importance of early detection of breast cancer and to raise funding to inform and educate women all over the country. This year the program celebrates a milestone with Sears and the WNBA donating more than $1 million to NABCO during the last three years.

The centerpiece of the Breast Health Awareness program is a pink and white ball specially created by the WNBA to symbolize the fight against breast cancer. This year's activities with the ball include a celebrity photo campaign and special team or celebrity-designed balls to be offered to the public through the Sears WNBA Breast Health Auction. The auction, which also features unique WNBA All-Star autographed merchandise and player experiences, will tip-off in early July. Log onto WNBA.com to participate in the auction and help the cause.

Lisa Leslie of the Los Angeles Sparks is the program's national spokesperson with Katie Douglas of the Orlando Miracle serving as the program's ambassador. Locally, each team designates a breast health awareness spokesperson, and the program is supported through awareness nights in all 16 WNBA arenas and the designation of a local "Breast Health Hero." Breast health information is distributed to attendees during awareness nights and a breast health awareness public service announcement airs on nationally televised games and in-arena. Sears donates $.50 to NABCO for every fan that attends a game on Breast Health Awareness night and $1,000 for each Breast Health Hero named.

The Sears WNBA Breast Health Awareness 2002 program concludes in October, Breast Cancer Awareness Month, with a celebrity basketball game in Los Angeles. At last year's game, celebrities such as David Arquette, Coolio, Miss America and others helped the WNBA and Sears increase awareness for this important cause.

WNBA Read to Achieve Presented by American Express

WNBA Read to Achieve presented by American Express is a year-round, league-wide initiative that promotes the values of reading and online literacy and encourages families and adults to read regularly with young children. Supported by Reading is Fundamental and Scholastic, Inc., WNBA Read to Achieve promotes reading efforts through in-arena events, public service announcements and school and community appearances throughout the year. WNBA players, coaches and family members also join members of the NBA family on local and national All-Star Reading Teams. The WNBA, its teams and players are committed to developing a lifelong love for reading among children.

Jr. NBA and Jr. WNBA Presented by Gatorade and Nike

The Jr. NBA and Jr. WNBA, presented by Gatorade and Nike, is a support organization for recreational youth basketball leagues in the United States, Canada and abroad that provides programs designed to connect players, parents and coaches in an effort to heighten awareness and participation in youth basketball.

WNBA Be Active

The WNBA promotes health and fitness through a 16-city grassroots initiative that encourages young people to live the program's core message: "Play Fit, Stay Fit." Throughout the year, WNBA teams lead clinics that teach boys and girls, ages 11-14, the importance of physical fitness in three key areas: endurance, strength and flexibility.

Miracle Makers

Mission

The Miracle Makers Charity is committed to the total health and well-being of the disadvantaged women and girls in Central Florida.

History

Miracle Makers, the Orlando Miracle Charity, is part of RDV Sports Team Charities and a non-profit, private foundation. Founded in May of 1999, Miracle Makers hosts various fund-raising events throughout the year and during the Miracle season. It is truly a team effort by the Miracle ownership, players, coaches and staff to make a difference in our community. Through private donations, fund-raising events and contributions from RDV Sports and its ownership group, more than $9 million has been raised and distributed to non-profits that support the RDV Sports team charities' mission statements.

Miracle Makers Fund-raising Events/Programs

Current events include the Florida Hospital Celebrity Stroll, Women Playing for T.I.M.E., Game Night Silent Auctions, Shooting Shirt Auctions, 50/50 Game Raffles and Online Auctions.

Our Fund Partner

The Robert R. McCormick Tribune Foundation was originally established as a charitable trust from the founder of the Tribune Company (its holdings include the Chicago Tribune, the Chicago Cubs and super-station WGN-TV). The foundation establishes philanthropic relationships, called fund partnerships, with select high-profile businesses that are committed to "giving." The McCormick Tribune Foundation contributes 50 cents for every dollar that Miracle Makers generates to supplement contributions in the partner's local communities. In addition to the matching monies, they assist in the administration of the funds and share expenses.

Grant Process

Dollars are distributed back in the community via a grant process. Non-profit charitable organizations (primary counties: Orange, Seminole, Osceola; secondary: Brevard, Volusia, Lake) which match the Miracle Makers giving focus are eligible to apply for the next grant cycle in December 2002. Grant awards will be announced in May 2003.

During the 2001 season, Miracle Makers awarded more than $70,000 to local non-profit agencies for the first time in franchise history. The awards took place during halftime of a Miracle home game. The agencies include:

Children's Home Society

A Miracle Makers grant for $1,500 will support the Perinatal Program for child abuse prevention in creating a resource library of educational materials. The program offers support and parenting education to young mothers whose eldest child is under age three.

New Hope Center

A community resource for children and families coping with life-threatening illnesses and/or significant loss due to death. The Center for Grieving Children provides grief support for children

ages 3-18 years who are grieving the loss of a loved one. A $5,200 grant from Miracle Makers will aid this program in providing services for low-income girls and their mothers.

CITE: The Center for Independence, Technology and Education

Provides training, technology and support to enhance the lives of people of all ages with blindness, low vision and multiple disabilities. A Miracle Makers grant for $10,000 will aid Independent Living Skills: Health and Wellness Education, a specialized support service designed to meet the specific health needs of women who are newly blind, are in the process of losing their vision or are caregivers for persons with blindness and low vision.

Mustard Seed of Central Florida

Assists the victims of disaster, personal tragedy or poverty to rebuild their lives by providing basic household furnishings and related necessities. A $10,000 grant from Miracle Makers will enable The Mustard Seed to assist forty single female heads-of-household and their children. Provision of fundamental survival items takes pressure off of these women and allows those served to focus on meeting higher level needs.

Good Shepherd Services of Orlando

Serves women and their children who are homeless or at risk of becoming homeless. It is the only non-profit in Central Florida that provides homeless women and their children with community-based residence in their own apartments accompanied by daily transitional services. A Miracle Makers grant for $20,000 will support program costs with an emphasis placed on helping the women obtain job skills that will lead to financial independence.

Spouse Abuse (Harbor House)

This Orange County Center Against Domestic Violence, is committed to providing comprehensive services to victims of domestic violence and to providing domestic violence education. A $25,000 grant from Miracle Makers will help establish the Healthy Living Program that will provide health education, along with health monitoring and maintenance services by a visiting nurse for the women and children victims of domestic violence living in both the Emergency Shelter and Transitional Housing Facilities.

Donations – your $100 donation turns into $150

In addition to receiving the 50¢ match from our funding partner, your donation will go back into the community with an even greater impact. There are no expenses/overhead costs associated with Miracle Makers. It's a winning combination for everyone! If you would like to make a donation, please make your check payable to Miracle Makers and mail to the attention of Miracle Makers at the address listed below.
